

**Dr. Michael Montgomery's
Music Studio
2018 Summer Semester
June 6th thru July 21st**

Just a quick note about the summer scheduling of lessons -

The lesson schedule for the week of May 23-26 will not change, but we will be taking a trip to Washington, D.C. May 30, 31, and June 1 (Wednesday, Thursday, Friday), so will miss lessons those three days. I can meet for a lesson with anyone who would like on the next two days, Saturday or Sunday (June 2 or 3).

Calendar for the Summer 2018 Semester:

I will be teaching lessons all of June as well as the first three weeks of July (up to July 21), a mini seven week summer semester that will end with the Summer Bass Camp July 23 thru 27. We can keep the same lesson schedule and times, more or less, for those that works for, or can rearrange times for any whose regular time doesn't work during the summer. For this summer mini-semester we can pro-rate fees also (for example $\$90 / 4 = \22.50 per half hour lesson), to accommodate families that may be traveling and otherwise missing lessons.

Below are practice videos I put together on YouTube for the students (Grades 7 thru 12) that will be auditioning for All-Region next October - start looking at these now to get a competitive edge (and complete set of the sheet music is attached):
